I hate making cold calls and meeting new people, what else can I do to increase sales?

You sound a lot like me - you'd rather crawl over broken glass in your bathing suit than pick up the telephone to make a COLD CALL (yuch!)

Everyone - it doesn't have to be so hard if you take the PARADOXICAL approach of letting go of your desired outcome, and instead focus entirely on finding out how to HELP your new friend :-) (Notice I said friend instead of prospect? Doesn't that feel better already?)
